## Foreword

The Warren Historical Society takes great pride in offering this Index to Cyrus Eaton's *Annals of Warren* as a contribution to Maine's Sesquicentennial Celebration. It was suggested by the retiring Historian, Mrs. Richard Howard, in her annual report, that, in compiling an Index, we would, in fact, accomplish a double goal. First, an Index, fulfilling a long felt need to open up the wealth of material contained in the *Annals* to an ever increasing reader public, would be a project worthy of commemorating our Sesquicentennial Year; and second, it would serve to honor the memories of our revered Historians, Cyrus, the blind father, and Emily, the crippled daughter.

This suggestion was enthusiastically received and carried out by the present Historian and Special Projects Chairman, Mrs. Bertha K. Drewett and her committee members — Mr. and Mrs. Edwin Boggs, Miss Lucy Teague, Miss Nora Mohler, Mrs. Richard Howard and Mrs. Ernest Lamb.

To index a history of this magnitude, has entailed a great deal of time and labor. We are indebted to Mrs. Drewett who has brought to this endeavor her customary perseverance and industry.

## *Dedication*

To Emily, the brilliant daughter of our Historian, Cyrus Eaton, who dedicated herself to her father's Histories and whose crippled hand painstakingly wrote down every word and sentence as it fell from the blind author's lips. She tells us in the preface to the second edition of the *Annals of Warren*, which she edited twenty-seven years later, that "in spite of feebleness and much body suffering" she found it "a labor of love." In conclusion, with death imminent, she was "obliged to omit the intended full Index to the book."

As she left the revised second edition of the *Annals* in her father's name and as his bequest, we, the members of the Warren Historical Society, gratefully leave this Index in Emily's name and as her bequest.
